

VENDURE PROFESSIONAL SERVICES

Expert Engineers, Embedded Alongside Your Team

We embed up to three Vendure experts with your team and any partner or SI: architecture and design, code review, pairing, performance, upgrades, and unblocking. We help you build the right things and get the most out of Vendure. We do not lead or take ownership of the project.

01 Your Rate One rate, billed in full days

€200 / hour

Per consultant · excl. VAT

€1,600 / day

Full working day · 8 hours

Plus on-call strategic input from our leadership team where it helps, billed at the same €200 / hour and only for the time used.

02 Build Your Engagement Three choices, one rate

Assemble what you need from three dials. There are no fixed packages, and you can adjust the mix as the work evolves.

PEOPLE

Up to 3 experts

Per project, sized to the phase you are in.

DAYS PER WEEK

3 to 5 days

Three days keeps steady momentum; five for intensive phases.

INITIAL TERM

3 / 6 / 9 / 12+ mo

Minimum 3 months, whatever the intensity. Beyond that it is a guide, not a lock-in: a longer term reserves the team more firmly, always at the same rate.

03 Indicative Cost What the common configurations cost

INDICATIVE WEEKLY COST · EXCL. VAT

	3 days / wk	4 days / wk	5 days / wk
1 expert	€4,800	€6,400	€8,000
2 experts	€9,600	€12,800	€16,000
3 experts	€14,400	€19,200	€24,000

Figures are per week, at €1,600 per expert per day. Multiply by roughly 4.3 for an indicative month. The term you choose does not change these figures; it reserves the capacity.

04 Good to Know How we work together

- ▶ **Remote first.** Our experts work from their usual locations. We come on site for kickoffs, planning and larger topics, typically a lead rather than the whole team.
- ▶ **You stay in control.** You keep delivery ownership and the roadmap. We work alongside your team and any SI, not as prime contractor.
- ▶ **Travel and expenses** for on-site work are billed at cost and agreed in advance.
- ▶ **Flexible throughout.** Scale people or days up or down with around 30 days notice, subject to availability. Shortening or extending a term works the same way.
- ▶ **Same rate, every term.** Committing for longer does not buy a lower rate. It buys guaranteed access to the people, which is the scarce thing.
